WOOD FENCE PAINTING

It has been noticed throughout the community that some of the wood gates are in need of stain, as they appear to look weather beaten or faded. Please take a look at your fence to see if it needs to be stained or painted.

GENERAL MAINTENANCE

Summer is here and warm weather returns! Now is the time to take a close look at the exterior of your home. Home repairs and general maintenance that has been put off all winter can now take place.

Please take a look at your property and address any maintenance concerns you notice. Take some time this weekend to spray weeds in your planters or the ones that pop up in the cracks of your driveway, remove any trees or shrubs that died last winter and put down a little mulch to freshen up your landscaping. It looks nice and it helps retain moisture in the soil so your plants require less water.

If the paint on your trim, shutters or garage door has faded please paint or touch it up, if the stucco is stained, wash it or restore it.

If you have a question about how to tackle a big project like painting or installing drought tolerant landscaping, please contact Management or attend a Board meeting. We will walk you through the architectural review process and help you get your project underway.

INDEPENDENCE DAY & SUMMER PARTIES

Having a summer or 4th of July party? Please remember to follow the rules and regulations and keep the noise level down. Be courteous to your neighbors during this holiday. Do not leave any debris in the streets. Just a reminder: firecrackers, bottle rockets, cherry bombs and other devices that explode, move along the ground, or travel through the air are banned throughout the State of California. There is no safe or legal area to possess, sell or discharge these types of dangerous fireworks anywhere in the state. Have a SAFE and SANE 4th of July!

REMINDER: Do Not Make Changes to Your Yard Without First Obtaining Approval from the Architectural Reviewer

We understand that submitting for architectural approval prior to starting a home improvement project is not on the top of everyone's to do list. However, it is very important that you take a moment to complete the architectural application and submit your plans prior to starting the work. Yes, it will take a few weeks to hear back from the architectural reviewer but it will save you from receiving compliance letters from the Association.

If you have a project in mind, plan ahead and submit an architectural application with your plans prior to starting the project.
