HOLIDAY SEASON 2020

2020 has been a year to remember, or maybe a year to forget! As we enter into the Holiday season, we will likely cherish more than ever the company of the family and friends that we allow into our homes.

- Start your holiday shopping early to avoid last minute trips to crowded stores that may reach capacity. If possible, shop online or consider a homemade gift.
- If traveling, remember to wear a mask, wash your hands frequently, and consider self-quarantining upon your return.
- Consider holding small gatherings outside in an open, well ventilated area.
- Practice gratitude for the many blessings of the year, including ways to communicate with loved ones, the ability to complete many tasks online.

DESIGNATE A DRIVER!

The Holiday season is a festive time to enjoy the company of family and friends. Keep your celebrations safe and ensure the safety of those you care about by designating a driver to help those who have had too much to drink. If hosting a party, consider taking on the added responsibility to provide transportation, keep the phone number to a cab company handy, or install a Lift or Uber app on your phone.

FAMILY VISITING FOR THE HOLIDAYS?

As the holiday season approaches, we would like to remind everyone about parking within the community. During this time of year, many people have get-togethers with family and friends. This creates a lot of extra vehicle traffic on the streets. Please be courteous to your neighbors. Most likely, they will have family visiting also. Please utilize your garage and driveway for parking as much as possible. This will create more room for everyone!
