HELPFUL COURTESY SUGGESTIONS

- Clean out your garage so you can park your car, trailer, boat or other recreational vehicle. The more vehicles homeowners fit in their garages, the more street parking will be available for guests.
- Drive slowly and carefully through the property, and remind your guests to do the same.
- Always keep your dogs on a leash, and pick up after them.
- Smile and say 'hi' to your neighbor when you see them!
- Trash Bins are to be stored out of view, behind your side gate or in the enclosed garage. They are not to be stored in any location that they can be viewed from the public.
- Check your irrigation systems to make sure your sprinklers are in working order. Maintain lawns with regular maintenance of mowing, edging and watering. Reseed bare areas in your lawn.
- Refresh the paint on your fascia trim, shutters, garage doors regularly. This maintenance will improve the appearance of the community.
